---

**Description**

---

Hip Hop originated in the Bronx, New York City, in the early 1970s as a cultural movement encompassing music, dance, visual art, and self-expression. Hip Hop dance emerged as a freestyle-based form rooted in rhythm, groove, individuality, and social interaction.

Over time, Hip Hop dance developed into a global phenomenon, incorporating various styles while maintaining its core values of musicality, creativity, authenticity, and personal expression. Today, Hip Hop dance is performed worldwide on stages, streets, studios, and competitive platforms.

---

**Overview**

---

Participants must submit a solo Hip Hop dance performance video to music of their own choosing. The video must have a maximum duration of 1 minute (intro and outro not included) and may be recorded in either vertical or horizontal format.

The performance must be filmed in one continuous take, with no editing or splicing, and the music must be played live during filming.

Only new video material recorded in 2025–2026 is accepted. Filming may take place in any location, including dance studios, homes, streets, public spaces, or outdoor environments. Previously used videos are not permitted, including footage submitted to other competitions, battles, or events unrelated to the KARDO Award–Competition.
