KARDO 9
Skateboarding
ONLINE STAGE
Competition Guideline

Description

Skateboarding is a street sport and cultural movement centered on creativity, technical skill, style, and the ability to navigate urban and skate park environments. It combines balance, precision, flow, and originality through tricks, lines, and individual expression.

Within the KARDO framework, skateboarding is recognized as a competitive street sport that values difficulty, execution quality, flow, style, creativity, and effective use of space.

Overview

Participants must submit a skateboarding performance video created specifically for the KARDO Award-Competition. The video must showcase the participant's best tricks and lines, performed during a single riding session.

The maximum duration of the video is 60 seconds (intro and outro not included). Only new video materials recorded in 2025–2026 are accepted. Musical accompaniment and editing are permitted, provided they do not interfere with the visibility and evaluation of tricks.
